

MAP update

From the frontline – interview with Judith Ironmonger

Q So, for which part of the MAP project are you responsible?

A *Women's Ministry – women of all ages and backgrounds*

Q In terms of “reasons to be cheerful”, what do you look back on most with a sense of fulfilment ?

A *I personally love the fact that the women love to come and worship together each week and it is a joy to see God working in their lives. It is a great blessing to me.*

Q What tasks have you started which are now “work-in-progress”

A *There is much that is “work in progress” and needs continued attention from week to week. We meet weekly as a group of women from several churches. We worship together in many different ways – sung worship, praying together, studying the Bible, sharing encouragements, listening to God, studying Christian books, supporting each other pastorally.*

We also support QE11 School, practically and in prayer.

We have a termly social.

And let's not forget our wonderful weekend retreat every other year and day retreat in between times.

Q Any new ideas/initiatives on the boil?

A *Well, we are currently exploring a practical way of reaching out to the community in Broadbridge Heath. We will need some extra help to achieve this goal. Exciting!*

Q Any prayer points for the St. John's folk?

A *Oh yes!*

- *Please pray that our agenda will always match up with God's.*
- *Please pray for all of us at T@t that we will become the people that God wants us to become.*
- *Please pray for the new idea mentioned above.*
- *Please pray for our crèche that the children will meet with God in some way each week.*
- *Please continue to pray for the Toddler Group at church and our links with it.*
- *Please pray that we will continue to look out for ways to reach our non-Christian friends and community.*
