

Giving to support the ministry at St John's

Giving is a spiritual activity, not just a practical concern. Regular giving to the work of God’s Kingdom, through the local church, is an expression of our worship to God and a practice that is such a normal part of being a follower of Jesus that the New Testament talks about giving hilariously!

The vast majority of the income that enables the vision of St John’s to be realised, is given voluntarily and generously by members of the church. We expect the cost of running the church in 2021 to be just over £130,000.

Practically speaking, the most helpful way to give to St John’s is through a standing order and, wherever applicable, we encourage all giving to the church to be gift-aided so that tax can be claimed back and the impact of every gift is maximised. Alternatively, we can provide you with weekly envelopes for you to make gifts by cheque or cash. We are also able to accept charity vouchers from both CAF and Stewardship.

You can set up standing orders on-line, visit your bank or we can provide you with a Standing Order form which will be sent to your bank. Our bank account details are:

Nat West—sort code 60-11-17
 Account number—26902036
